AN ACT GENERALLY REVISING LAWS RELATED TO SUBDIVISION AND PLANNING; REVISING THE FEE AMOUNTS THAT A LOCAL GOVERNMENT MAY ASSESS FOR THE EXAMINATION OF EXEMPT DIVISIONS OF LAND; AND AMENDING SECTIONS 76-3-201 AND 76-3-207, MCA.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MONTANA:

Section 1. Section 76-3-201, MCA, is amended to read:

"76-3-201. Exemption for certain divisions of land -- fees for examination of division. (1) Unless the method of disposition is adopted for the purpose of evading this chapter, the requirements of this chapter may not apply to any division of land that:

- (a) is created by order of any court of record in this state or by operation of law or that, in the absence of agreement between the parties to the sale, could be created by an order of any court in this state pursuant to the law of eminent domain, Title 70, chapter 30;
- (b) subject to subsection (4), is created to provide security for mortgages, liens, or trust indentures for the purpose of construction, improvements to the land being divided, or refinancing purposes;
- (c) creates an interest in oil, gas, minerals, or water that is severed from the surface ownership of real property;
- (d) creates cemetery lots;
- (e) is created by the reservation of a life estate;
- (f) is created by lease or rental for farming and agricultural purposes;
- (g) is in a location over which the state does not have jurisdiction; or
- (h) is created for rights-of-way or utility sites. A subsequent change in the use of the land to a residential, commercial, or industrial use is subject to the requirements of this chapter.

(2) An exempt division of land as provided in subsection (1)(a) is not considered a subdivision

under this chapter if not more than four new lots or parcels are created from the original lot or parcel.

(3) Before a court of record orders a division of land under subsection (1)(a), the court shall notify the governing body of the pending division and allow the governing body to present written comment on the division.

(4) An exemption under subsection (1)(b) applies:

(a) to a division of land of any size;

(b) if the land that is divided is not conveyed to any entity other than the financial or lending institution to which the mortgage, lien, or trust indenture was given or to a purchaser upon foreclosure of the mortgage, lien, or trust indenture. Except as provided in subsection (5), a transfer of the divided land, by the owner of the property at the time that the land was divided, to any party other than those identified in this subsection (4)(b) subjects the division of land to the requirements of this chapter.

(c) to a parcel that is created to provide security as provided in subsection (1)(b). The remainder of the tract of land is subject to the provisions of this chapter, if applicable.

(5) If a parcel of land was divided pursuant to subsection (1)(b) and one of the parcels created by the division was conveyed by the landowner to another party without foreclosure before October 1, 2003, the conveyance of the remaining parcel is not subject to the requirements of this chapter.

(6) The governing body may examine a division of land to determine whether or not the requirements of this chapter apply to the division and may establish reasonable fees, not to exceed ~~\$200~~ \$400, for the examination."

Section 2. Section 76-3-207, MCA, is amended to read:

"76-3-207. Divisions or aggregations of land exempted from review but subject to survey requirements and zoning regulations -- exceptions -- fees for examination of division. (1) Except as provided in subsection (2), unless the method of disposition is adopted for the purpose of evading this chapter, the following divisions or aggregations of tracts of record of any size, regardless of the resulting size of any lot created by the division or aggregation, are not subdivisions under this chapter but are subject to the surveying requirements of 76-3-401 for divisions or aggregations of land other than subdivisions and are subject to applicable zoning regulations adopted under Title 76, chapter 2:

(a) divisions made outside of platted subdivisions for the purpose of relocating common boundary lines between adjoining properties;

(b) divisions made outside of platted subdivisions for the purpose of a single gift or sale in each county to each member of the landowner's immediate family;

(c) divisions made outside of platted subdivisions by gift, sale, or agreement to buy and sell in which the landowner enters into a covenant for the purposes of this chapter with the governing body that runs with the land and provides that the divided land will be used exclusively for agricultural purposes, subject to the provisions of 76-3-211;

(d) for five or fewer lots within a platted subdivision, the relocation of common boundaries;

(e) divisions made for the purpose of relocating a common boundary line between a single lot within a platted subdivision and adjoining land outside a platted subdivision. A restriction or requirement on the original platted lot or original unplatted parcel continues to apply to those areas.

(f) aggregation of parcels or lots when a certificate of survey or subdivision plat shows that the boundaries of the original parcels have been eliminated and the boundaries of a larger aggregate parcel are established. A restriction or requirement on the original platted lot or original unplatted parcel continues to apply to those areas.

(2) Notwithstanding the provisions of subsection (1), within a platted subdivision filed with the county clerk and recorder, a division, redesign, or rearrangement of lots that results in an increase in the number of lots or that redesigns or rearranges six or more lots must be reviewed and approved by the governing body before an amended plat may be filed with the county clerk and recorder.

(3) (a) Subject to subsection (3)(b), a division of land may not be made under this section unless the county treasurer has certified that all real property taxes and special assessments assessed and levied on the land to be divided have been paid.

(b) (i) If a division of land includes centrally assessed property and the property taxes applicable to the division of land are not specifically identified in the tax assessment, the department of revenue shall prorate the taxes applicable to the land being divided on a reasonable basis. The owner of the centrally assessed property shall ensure that the prorated real property taxes and special assessments are paid on the land being sold before the division of land is made.

(ii) The county treasurer may accept the amount of the tax prorated pursuant to this subsection (3)(b) as a partial payment of the total tax that is due.

(4) The governing body may examine a division or aggregation of land to determine whether or not the requirements of this chapter apply to the division or aggregation and may establish reasonable fees, not to exceed ~~\$200~~ \$400, for the examination."

Section 2. Section 76-3-207, MCA, is amended to read:

"76-3-207. Divisions or aggregations of land exempted from review but subject to survey requirements and zoning regulations -- exceptions -- fees for examination of division. (1) Except as provided in subsection (2), unless the method of disposition is adopted for the purpose of evading this chapter, the following divisions or aggregations of tracts of record of any size, regardless of the resulting size of any lot created by the division or aggregation, are not subdivisions under this chapter but are subject to the surveying requirements of 76-3-401 for divisions or aggregations of land other than subdivisions and are subject to applicable zoning regulations adopted under Title 76, chapter 2:

(a) divisions made outside of platted subdivisions for the purpose of relocating common boundary lines between adjoining properties;

(b) divisions made outside of platted subdivisions for the purpose of a single gift or sale in each county to each member of the landowner's immediate family;

(c) divisions made outside of platted subdivisions by gift, sale, or agreement to buy and sell in which the landowner enters into a covenant for the purposes of this chapter with the governing body that runs with the land and provides that the divided land will be used exclusively for agricultural purposes, subject to the provisions of 76-3-211;

(d) for five or fewer lots within a platted subdivision, the relocation of common boundaries;

(f) aggregation of parcels or lots when a certificate of survey or subdivision plat shows that the boundaries of the original parcels have been eliminated and the boundaries of a larger aggregate parcel are established. A restriction or requirement on the original platted lot or original unplatted parcel continues to apply to those areas.

(2) Notwithstanding the provisions of subsection (1), within a platted subdivision filed with the county clerk and recorder, a division, redesign, or rearrangement of lots that results in an increase in the number of lots or that redesigns or rearranges six or more lots must be reviewed and approved by the governing body before an amended plat may be filed with the county clerk and recorder.

(3) (a) Subject to subsection (3)(b), a division of land may not be made under this section unless the county treasurer has certified that all real property taxes and special assessments assessed and levied on the land to be divided have been paid.

(b) (i) If a division of land includes centrally assessed property and the property taxes applicable to the division of land are not specifically identified in the tax assessment, the department of revenue shall prorate the taxes applicable to the land being divided on a reasonable basis. The owner of the centrally assessed property shall ensure that the prorated real property taxes and special assessments are paid on the land being sold before the division of land is made.

(ii) The county treasurer may accept the amount of the tax prorated pursuant to this subsection (3)(b) as a partial payment of the total tax that is due.

(4) The governing body may examine a division or aggregation of land to determine whether or not the requirements of this chapter apply to the division or aggregation and may establish reasonable fees, not to exceed ~~\$200~~ \$400, for the examination."

Representative Larry Brewster
Chairman, Local Government Committee
Montana House of Representatives
1216 Babcock Blvd
Billings, MT 59105

Mr. Chair, Vice Chair, and Members of the Committee,

Thank you for your time. My name is Melissa Mitton and I represent the American Hotel & Lodging Association, the nation's largest hotel association, representing 33,000 properties and corporate members across the U.S.

On behalf of AHLA members, I'm here today to voice our concerns with **SB 379** (Fitzpatrick). We appreciate the sponsor's willingness to work on this bill, but as written, we are concerned that **SB 379** could have negative unintended consequences on Montana's neighborhoods.

At a time when many local workers – including hotel and resort workers – cannot find a place to live, increasing the affordable housing supply is rightly the Legislature's priority.

As written, this bill would prohibit local governments from establishing owner occupancy requirements for any accessory dwelling units (ADUs) on a lot or parcel that contains one or more ADU. We are concerned that this provision could serve as a loophole for many investors seeking to develop more short-term rental properties, instead of providing housing for Montanans.

To be clear, AHLA supports the rights of Montanans to occasionally rent their primary residence – the true spirit of the "sharing economy." However, we are concerned with the growing number of commercial operators – many of whom are out-of-state investors – using short-term rental websites to essentially operate multi-unit, full-time lodging businesses. Limiting local control of ADUs would only exacerbate this problem.

ADUs – if meant to support long-term housing supply – should be used to serve Montana residents. As such, we request that those provisions limiting local control of accessory dwelling units be removed or the sponsor consider a provision that limits ADU use to long-term rentals.

We believe such a change will protect Montana private property rights, while also protecting against the growth of out-of-state or investor-purchased vacation rentals that overwhelm Montana's residential neighborhoods and limit the available housing supply for locals – many of whom work in the hotel and lodging industry and need additional housing options.

Again, we look forward to working with the sponsor to support this bill. Thank you for your time and I'm happy to answer any questions.

Sincerely,

Melissa Mitton

HB874

Honorable Chairman Friedel and Members of the Senate Local Government Committee:

My name is Wyeth Friday. I am the Planning and Community Services Director for the City of Billings. I represent Billings in my testimony in support of HB 874. Billings supports this legislation for the following reasons:

- The \$200 review fee for exempt plats in Section 76-3-201 Subsection 6 and Section 76-3-207 Subsection 4 has been set in statute for two decades. And while surveyors have been able to increase fees to complete surveys as the costs of doing business have increased, local government has been unable to keep up with the costs of reviewing exempt plats with this statute imposed \$200 fee.
- Given the great need to provide timely and efficient review of exempt plats as well as many other land use processes to help support housing development across Montana, it is critical that local government is able to provide adequate staff and resources to complete these reviews. Being able to align the cost of the reviews with the fee charged to conduct the reviews will make this possible.
- The proposed amendment to set the fee at \$400 in the statute is an improvement but the best approach would allow communities like Billings to set a local fee for exempt plats through our local elected officials. This is something we do now for all of our other land entitlement process. The set fee in statute results in other fees and revenues subsidizing exempt plat reviews. This results in other customers and community members helping pay for an individual landowner or developer exempt plat process. The \$400 fee proposed will help us meet the cost of exempt plat review. However, we anticipate returning again in the future to set this fee again to keep up with increased cost if the fee remains in statute.

Despite the continued inclusion of the fee in statute, Billings supports HB 874 and encourages a do pass.

Thank you for your consideration.

(2) The rules and standards must provide the basis for approving subdivisions for various types of public and private water supplies, sewage disposal facilities, storm water drainage ways, and solid waste disposal. The rules and standards must be related to:

(a) size of lots;

(b) contour of land;

(c) porosity of soil;

(e) distance from lakes, streams, and wells;

(f) type and construction of private water and sewage facilities; and

(3) (a) Except as provided in subsection (3)(b), the rules must provide for the review of subdivisions consistent with 76-4-114 by a local department or board of health, as described in Title 50, chapter 2, part 1, if the local department or board of health employs a registered sanitarian or a registered professional engineer and if the department certifies under subsection (4) that the local department or board is competent to conduct the review.

(b) (i) Except as provided in 75-6-121 and subsection (3)(b)(ii) of this section, a local department or board of health may not review public water supply systems, public sewage systems, or extensions of or connections to these systems.

(ii) A local department or board of health may be certified by the department to review subdivisions proposed to connect to existing municipal or county water and/or sewer district water and wastewater systems previously approved by the department if no extension of the systems is required.

(4) (a) The department shall also adopt standards and procedures for certification and maintaining certification to ensure that a local department, or local board of health, or independent reviewer is competent to review the subdivisions as described in subsection (3).

(b) On or before December 31, 2023, the department shall develop procedures for certification of prequalified independent reviewers and develop a training curriculum to ensure compliance with this part.

- 1 (5) The department shall review those subdivisions described in subsection (3) if:
- 2 (a) a proposed subdivision lies within more than one jurisdictional area and the respective
- 3 governing bodies are in disagreement concerning approval of or conditions to be imposed on the proposed

7 (ii) This subsection (6)(i) does not apply to the divisions provided for in 76-3-207 except those

25 (7) The requirements of subsection (6)(i) regarding proposed drainfield mixing zones and proposed

5 (ii) An independent reviewer may be certified by the department to review subdivisions proposed
6 to connect to existing municipal or county water and/or sewer district water and wastewater systems previously
7 approved by the department if no extension of the system is required.

8 (c) (i) If 10% or more of the applications received during a calendar quarter remain overdue
9 applications at the end of the quarter, the department shall assign applications to independent reviewers in a
10 number not to exceed the number of overdue applications, unless an independent reviewer is not available.

11 (ii) The department may assign applications to independent reviewers if fewer than 10% of the

19 department has not provided a response within 40 days under 76-4-114(3)(c)(i)(A) and that remains
20 outstanding at the end of a quarter.

21 (b) The term does not include applications for which:

23 (ii) any number of extensions under 76-4-114(5) have been granted.

24 (13) PRIOR TO BEING ASSIGNED AN APPLICATION FOR REVIEW, AN INDEPENDENT REVIEWER SHALL IDENTIFY

10 **Section 5.** Section 76-4-114, MCA, is amended to read:

11 **"76-4-114. Review of application.** Except as provided in 76-4-125, the applicant shall submit an
12 application for review of a subdivision pursuant to the following procedure:

13 (1) An applicant may request a preapplication meeting with the reviewing authority prior to
14 submitting an application. The reviewing authority shall schedule the requested meeting between the applicant
15 and the reviewing authority within 30 days of receiving the request from the applicant. The meeting may be
16 conducted in person, via telephone, or via teleconference. For informational purposes only, the reviewing agent
17 shall identify the state laws and rules that may apply to the subdivision review process.

18 (2) If the proposed development includes onsite sewage disposal facilities, the applicant shall
19 notify the designated agent of the local board of health prior to presenting the subdivision application to the
20 reviewing authority. The agent may conduct a preliminary site assessment to determine whether the site meets
21 applicable state and local requirements.

22 (3) (a) After submitting an application if required under the Montana Subdivision and Platting Act,
23 the applicant shall submit an application to the reviewing authority. A subdivision application is considered to be
24 received on the date of delivery to the reviewing authority when accompanied by the review fee established
25 pursuant to 76-4-105.

2 reviewer determines that elements are missing from the application, the reviewing agent or agency shall identify
3 those elements in the notification. The applicant shall address the missing elements identified by the reviewing

5 as provided in this subsection (3)(b) does not ensure that the proposed subdivision will be approved and does
6 not limit the ability of the reviewing authority or independent reviewer to request additional information during
7 the review process.

8 (c) (i) After the reviewing authority or independent reviewer notifies the applicant that the
9 application contains all of the required elements as provided by subsection (3)(b), the reviewing authority or
10 independent reviewer shall make a final decision or a recommendation on the application. Except as provided
11 by subsection (4), the reviewing authority or independent reviewer shall:

12 (A) make a final decision within 40 days of finding that the application contains all of the required
13 elements if the reviewing authority is the department; or

14 (B) make a recommendation for approval to the department or deny the application within 30 days
15 of finding that the application contains all of the required elements if the reviewing authority is a local
16 department, ~~or local~~ board of health, or independent reviewer. If the department receives a recommendation for
17 approval of the subdivision from a local department, ~~or local~~ board of health, or independent reviewer, the
18 department shall make a final decision on the application within 10 days of receiving the recommendation ~~of the~~

21 subdivision approval indicating that it has approved the plans and specifications and that the subdivision is not
22 subject to a sanitary restriction.

23 (iii) If the reviewing authority or independent reviewer denies the application, the reviewing
24 authority or independent reviewer shall identify the deficiencies that result in the denial in a notification to the
25 applicant. The reviewing authority may identify other apparent deficiencies in additional information submitted
26 after the initial application.

1 resubmits a corrected application within 30 days after the date of the denial letter, the reviewing authority or
2 independent reviewer shall complete review of the resubmitted application within 30 days after receipt of the
3 resubmitted application.

4 (ii) If the reviewing authority or independent reviewer denies an application and the applicant
5 resubmits a corrected application after 30 days after the date of the denial letter, the reviewing authority or
6 independent reviewer shall complete review of the resubmitted application within:

7 (A) 55 days after receipt of the resubmitted application if the reviewing authority is the department;
8 or

9 (B) 45 days after receipt of the resubmitted application if the reviewing authority is a local
10 department, or local board of health, or independent reviewer.

11 (iii) If the review of the resubmitted application is conducted by a local department, or local board

14 on the application within 10 days after the local reviewing authority or independent reviewer completes its
15 review under subsection (3)(d)(i) or (3)(d)(ii).

16 (4) Except as provided in subsections (6) and (7), if the reviewing authority or independent
17 reviewer needs an extension of a deadline in this section to complete its review or if an applicant requests an
18 extension of a deadline, then the reviewing authority or independent reviewer shall notify the applicant of the

20 however, the reviewing authority may issue more than one extension. ~~THE REVIEWING AUTHORITY MAY NOT ISSUE~~

Oppose HB 890 Require certain govt boards to provide audio/video recordings of public meetings. Making this a law is not necessary. Many boards already offer this if they have the technology, broadband and funds to do so. Board meetings are open. If someone is interested, let them attend. This is unnecessary oversight by the government. Please oppose HB 890. Thank you for your service and consideration.
